Exhibits * April 29-May 1, 2009

ENTELEC 2009
April 29-May 1
Houston, TX

ENTELEC 2009 Conference and Expo is the leading source that industry professionals have turned to for education, resource solutions and networking. The annual Conference and Exposition brings it all together for three days of intense learning and training from the most respected experts, peers and companies in the industry.

Complete this form for a complimentary ENTELEC VIP Exhibit Hall pass and gain access to the exhibition showcase featuring over 30,000 sq ft of products and services for the energy, telecommunications and electrical association. Simply bring this form to the ENTELEC 2009 registration counter or fax to Tiffany Chase at 972-915-6040 by April 10, 2009.

Benefits of an ENTELEC Membership

Networking: No matter what your specialty or in what area you work, networking is one of the most valuable benefits. With ENTELEC, you can choose to network in the ways that suit you best. Attend our annual convention, or use our online forums to talk with colleagues from your office or home.

Professional Growth: ENTELEC members benefit from a number of ways to set themselves apart in a tight job market and ever-more competitive field. Take on leadership positions by working with ENTELEC's volunteer committees.

Information: With your membership, you know the latest developments and news in SCADA, Automation and Communications Technologies. Our e-newsletter, *The Wire*, gets members the news they need right now. Talk with professionals from around the country in our online forums.

ENTELEC.org: Our online information center features a variety of news, information and issues a wealth of resources exclusively for members.

Technical Papers: Exclusive access to industry papers presented at past ENTELEC conferences.

Certificate & Industry Recognition: Members receive a certificate and letter from the President highlighting their contribution to the industry and their continuing desire to gain valuable industry news and education.
